- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. **ANNEXURE 2****Management Discussion and Analysis****1. Industry Structure and Development:**

The Company is engaged in the manufacture of engineering items, primarily for the Sugar Industry. The Sugar Industry is the second largest agro-based industry in India, after textiles. The prospects of this industry depend on the availability of sugarcane, which is subject to vagaries of the monsoon and the policies of the Central and State Governments, and the demand for sugar. The Central and State Governments have taken an active role in supporting the industry and its stakeholders in the past few years.

**2. Opportunities and Risks:**

Better monsoon and a stable policy regime may result in structural improvements in the sugar industry, which in turn will restart the capital expenditure cycle, resulting in an increased demand for the Company's products. Subdued economic activity and the overhang of the COVID-19 pandemic may result in a poor sugar crushing season or unfavourable economics for sugar manufacturers, which, in turn, will delay the capital expenditures that create demand for the Company's products.

**3. Segment-Wise Performance:**

The Company operates in a single segment i.e. Manufacturing and Sale of Engineering Goods.

**4. Business Outlook:**

The Sugar industry in India comes under The Essential Commodities Act, 1955 and therefore is regulated by the Government. Being an agro based industry, performance is largely dependent on rainfall and crop. However, the economics of producing sugar have been unfavourable in recent years. A favourable increase in the selling price of sugar may lead to a new capital expenditure cycle and an increase in demand for the machinery used in sugar plants. However, in recent years, the economic pressure on sugar manufacturers has had an adverse effect on demand for the Company's products.

**5. Risks and Concerns:**

- Seasonal uncertainties that impact the production and price of Sugar
- Unfavourable shifts in Government policies and regulations
- Increased cost of raw materials and fuel
- Work Stoppage owing to availability of human capital, union strikes, and other reasons
- Increased interest rates affecting the ability of customers to fund capital expenditures

**6. Internal Control Systems and their Adequacy:**

The Company has in place adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weakness in the design or operations was observed.

**7. Operational Performance and Financial Performance:**

The Total Income for the year ended March 31, 2021 is Rs. 59.73 Lakhs as against Rs. 93.04 Lakhs for the previous year. The Net loss is Rs. 13.98 Lakhs for the year ended March 31, 2021 as against loss of Rs. 30.15 Lakhs for the previous year.

**8. Human / Industrial Relations:**

The Company believes that manpower is the most valuable resource for its growth. Industrial relations have been very cordial.

**9. Cautionary Statement:**

Statements made in Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be forward looking statements within the meaning of applicable security laws or regulations. These statements are based on certain assumptions and expectations of future events. Actual results could however differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and domestic demand-supply conditions, finished goods prices, raw material availability and costs thereof, change in Government regulations, tax structure, economic developments within India.

The company assumes no responsibility in respect of forward-looking statements, which may be amended or modified in future on the basis of subsequent developments, information or events.

**INDEPENDENT AUDITOR'S REPORT ON AUDIT OF FINANCIAL RESULTS**

To the Board of Directors of  
**ACROW INDIA LIMITED**

**OPINION**

We have audited the accompanying standalone financial statements of ACROW INDIA LIMITED (the "Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**BASIS FOR OPINION**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have that there are no key audit matters to communicate in our report.

**INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**MANAGEMENT'S RESPONSIBILITIES FOR THE STANDALONE FINANCIAL STATEMENTS**

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE - B TO INDEPENDENT AUDITORS' REPORT**

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls with reference to financial statements of ACROW INDIA LIMITED ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company and management are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable

to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

### Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives or, in the case of certain leased furniture, fittings and equipment, the shorter lease term as follows:

Asset Class	Useful Life
Freehold land	-
Leasehold land	As per lease life
Buildings- Office	60 Years
Buildings- Factory	30 Years
Furniture and fixtures	10 Years
Office equipments	5 Years
Vehicles	8 Years

### Impairment of Assets

At each Balance sheet date, the management reviews the carrying amount of its assets and goodwill included in each Cash generating Unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount of an asset is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value and the risks specific to the asset. Reversal of impairment loss is recognized immediately as income in the profit and loss account.

### k) Investments

Long-term as well as short term investments are valued at fair value on measurement date. Any increase/ decrease in fair value is recognised through profit and loss statement .

### l) Borrowing costs

Borrowing cost directly attributable to acquisition of Qualifying Fixed Assets is capitalised. All other borrowing costs are charged to Profit and Loss Account.

### m) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid on recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

### n) Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence

## NOTES FORMING PART OF FINANCIAL STATEMENTS

would be confirmed upon the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.

### **o) Employee Benefits**

#### **Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

#### **Gratuity obligations**

As the employees are less than the minimum threshold to applicability of the Payment of Gratuity Act, 1972; no provision for Gratuity is made in the Accounts

### **p) Contributed Equity**

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

### **i) Earnings per Share**

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

#### **Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

### **ii) Dividends to shareholders**

Annual dividend distribution to the shareholders is recognised as a liability in the period in which the dividends are approved by shareholders. Any interim dividend paid is recognised on approval by board of directors. Dividend payable and corresponding tax on dividend distribution is recognised directly in equity.

The Company also has no outstanding dues in the current year that were required to be furnished under section 22 of Micro, Small and Medium Enterprises Development Act, 2006.

- 34** Impact of COVID-19 Pandemic on the financial statements of the Company  
The World Health Organisation announced a global health emergency because of a new strain of coronavirus ("COVID 19") and classified its outbreak as a pandemic on March 11, 2020. On March 24, 2020, the Indian government announced a strict 21- day lockdown across the country to contain the spread of the virus, which was further extended from time to time. This pandemic and government response are creating disruption in global supply chain and adversely impacting most of the industries which has resulted in a global slowdown. The management has made an assessment of the impact of the COVID-19 on the Company's operations, financial performance and position as at and for the year ended March 31, 2021 and has concluded that there is no impact which is required to be recognized in the financial statements. Accordingly, no adjustments have been made to the financial statements.
