Note on Qualification in Audit Report

Place : Mumbai

Date: 30 May 2025

The Group has investments in Aussee Oats Milling Private Limited (joint venture) and Aussee Oats India Limited (step down joint venture) (together referred to as 'JV') of Rs. 7414.08 lakhs including investments, loans and other assets (as on March 31, 2024: Rs. 6,913.52 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and year ended March 31,2025, as a consequence of non-cooperation of the said JV partners which is in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at period end date and consequent impact thereof on the results. However, the Management believe that it will not have a material impact on the financial results for the guarter and year ended March 31 2025
